

Data Protection law is changing, and we want to keep you up to date with the steps Chapelford Acupuncture is taking.

On the 25th May the General Data Protection Regulation, known as GDPR, comes into effect. GDPR imposes additional obligations on organisations and gives you extra rights around how your data is used.

We want you to know that Chapelford Acupuncture respects the information we hold on you and that we take the security of your information very seriously.

We have recently published a new Privacy Policy to give you more information on the data we hold on you, what we do with that data, who we share your data with and your new rights under GDPR.

Our updated Privacy Policy is now available, we will email you a copy, if you ask us to.

Kind Regards
Amy
